18 **STATEMENT OF FACTS¹**

19 According to the Statement of Facts attached to the Complaint filed on August 15, 2006, in the above
20 entitled case Mr. Gonzalez was arrested on April 19, 2008, at the Calexico, CA West Port of Entry at the
21 secondary inspection station. At the time of his arrest Mr. Gonzalez allegedly resisted and a melee ensued.
22 There are numerous cameras set up to film the comings and goings at the port of entry.

28 ¹The government has turned over no discovery to the defense. Mr. Gonzalez only has the complaint upon which to base his statement of facts.

1 II.

2 **THE COURT SHOULD ORDER THE GOVERNMENT**
3 **TO PRESERVE EVIDENCE**

4 As of the date of filing, the government has provided defense counsel with no discovery in this case.
5 Mr. Gonzalez makes the instant motion pursuant to Rule 16(d) and all other applicable rules, statutes and
6 case law. His request is not limited to those items that the prosecutor at this time knows of, but rather
7 includes all evidence that is in the care, control, custody, possession, or knowledge of any "closely related
8 investigative [or other] agencies." See United States v. Bryan, 868 F.2d 1032 (9th Cir. 1989).

9 Mr. Gonzalez hereby requests to the full extent of Rule 16(a)(1)(E), the opportunity to inspect,
10 copy, and test, as necessary, all other documents and tangible objects, including (but not limited to)
11 photographs, books, papers, documents, data, fingerprint analyses, vehicles, buildings or places,
12 information taken from computer hard drives, or copies of portions thereof, which are material to
13 the defense or intended for use in the government's case-in-chief or were obtained from or belong
14 to the defendant. See FED. R. CRIM. P. 16(a)(1)(E).

15 To that end, Mr. Gonzalez specifically requests that the video tapes from the port of entry that
16 were taken of the incident involving his arrest be preserved. It is his understanding that these tapes
17 are destroyed within seven days of the taping. Thus, Mr. Gonzalez requests that the government use
18 all due diligence in making sure the tapes are preserved. Mr. Gonzalez requests that this court enter
19 an order under Rule 16(d) requiring the government to **preserve** any video tapes taken on the day of Mr.
20 Gonzalez's arrest from the Calexico, CA West Port of Entry that include Mr. Gonzalez on film, and
21 requiring the government to **provide notice** to any government agencies and private contractors having
22 custody or possession of this evidence.
